

Notes

1. Savar has a habit of updating his missions, usually making significant differences each time. If you have a previous version other than v_3 (only v_3.0 is available for download from the main hosting sites) you will find significant changes from the walkthrough below.
2. This is based on the original mission from T3 so you will notice a few secret areas from that OM that have been closed off in this mission.
3. This is the First part of the Keeper Series.

Walkthrough

Finding your way around the map is not difficult. Finding all the loot and completing all the objective is. First, frob the notice on the wall behind the man sitting on the bench opposite the pub.

New Objective: Check out information about the Killer.

Next head over to the house in the SW corner of the fountain area and frob the scroll in the porch window. This is Lord Slavar's house, Robert's uncle.

New Objective: Find Robert's key.

Next head into the next area, (through the archway to the right of Saint Ludovicus Chapel), turn first left through an archway and enter the house to the south of the well (guard standing to right of door), this is Robert's house.

In Robert's house you will find a key on the shelf above the desk in the side room off the dining room, in this room you'll also find a couple of crates by the door.

Objective Complete: Find Robert's key.

Grab one and place it on top of the barrel (SE corner) in the dining room and mantle up onto the rafters where you'll find a lever on the north wall which opens a door at the top of the stairs revealing a secret room, but the door is on a timer so jump down quickly to get into the secret room before the door shuts again.

In Robert's secret room collect from the safe a dagger.

Objective Complete: *Find the Killer's Dagger.*

To get back out this room frob the right hand book on the desk.

Return to the area where you started and enter Lord Slavar's house (SW house beyond the fountain). In Lord Slavar's house, frob the left hand book on the desk by Lord Slavar's bed to open a door in the SE corner of the previous room.

In Lord Slavar's secret room frob the scroll on the desk

New Objective: *Find the Stone of Destiny.*

You should by now have enough goods to sell to afford the climbing gloves, so head to Gloomy lane (via archway NW of market stall) where you will find both your Fence and the Weapons Store, the climbing gloves will cost you 2000g.

Once you have the climbing gloves there are 3 locations you can access.

In Gloomy Lane mantle up onto the wooden shelter to the left of the entrance archway then climb the stone wall to get to the top of the sloping roof to get to the Pagan's room above the archway.

In the Pagan's room collect the green gem from the cabinet.

Objective Complete: *Find the Pagan Artefact.*

Next mantle out of the SE shutters and climb up to the shutters above you on the SW wall to access Veles' room.

In Veles' room collect the crystal out of the basket.

Objective Complete: *Find the Stone of Destiny.*

Make sure you collect the health potion whilst in Veles' room as you will lose some life as you mantle back out of the shutters, try to land on the wooden beam below the shutters in order to reduce your health lose to a minimum.

On the south side of the map frob the note in the window of Pavelock prison.

Objective complete: *Check out information about the Killer.*

Then use the ladder hidden in the bushes to the left (east) of Pavelock prison to find a pit containing a zombie.

Collect from the SE corner the Killer's Medallion.

Objective complete: *Find the Killer's Medallion.*

Head back to the original fountain square and climb the wall of the library from the steps to get up to the Enforcer's rooms.

In the Enforcers room there is a **chest key** on the lower shelf of the unit in the NE corner, but it's not easy to frob.

Then collect the book from the chest in the SW corner (chest can also be picked open).

Objective complete: *Find the Book of Shadows.*

Head back down to the fountain square and enter the hotel to the NE of the library to finish the mission.
