Journey to the Land of the Poor

Newdark Bugs + other fixes

Note: This mission is included in the FMdml package so T2Fix players do not need to manually install the dml.

Without the dml you can frob all the items in the gym lockers without first opening the doors and there is one misplaced key

To install the dml manually see here.

Secrets

Access the secret room in the weapons store, south street near where you start. Frob arc lever on side of bookcase.

Silver nugget behind the bed, vacant apartment (west side) upper level, first residential building.

Move the loose bricks in the NW crypt in the cemetery. Frob lever behind tomb.

Access the east side of the lava pit, area after portal. Frob arc lever in small alcove in wall opposite obvious secret door.

Collect the gemstone from the niche in cross section in the top of the sign post by the statue in the main square.
